★ AMERICA'S 250 MARITIME CELEBRATIONS ★

VIRGINIA

June 12-23, 2026

**Educational
Resources**

In June 2026, the City of Norfolk and Virginia's Chesapeake Bay Region will host a fleet of more than 60 ships. This international fleet will include tall ships, military vessels, and character vessels from more than 20 countries. As part of the Sail250® Virginia education program, this collection of more than 200 online educational resources and nearly 100 books has been gathered for Virginia educators, youth groups, and students of all ages. The focus of this collection of resources matches the themes of the Sail250® Virginia events – commemorating the semiquincentennial of the United States, recognizing Virginia's place in our Nation's maritime and military history, and honoring the importance of our maritime services throughout the last 250 years. We hope you enjoy exploring the information contained in this collection of resources and will take the opportunity to participate in the Sail250® Virginia events!
